

Applications and resumes are not accepted or kept on file unless a position is available. You are invited to complete this Employment Inquiry Form and return it to our office. As long as a current Employment Inquiry Form is on file each calendar year, you will be notified if a position vacancy becomes available in the area you indicate on the form.

Please list a specific area of employment in which you are interested, such as police, laborer, mechanic, engineering, administrative support or accounting.

Employment Inquiry Forms are discarded December 31 every year.
